Rotorcraft Technology (IBRCRT)**

Tianjin, China, September 08-11, 2013
Sponsored by

**ARF International Executive Committee
Nanjing University of Aeronautics and Astronautics
AVIC Helicopter
AHS International
Chinese Society for Aeronautics and Astronautics**

Announcement extended deadline for abstracts

The deadline for submission of abstracts for the 2013 ARF and IBRCRT had passed. However, many authors still want to submit their abstracts. In order to continue to submit abstracts, the organizing committee decided to extend the deadline for submission of abstracts to May 30, 2013.

Looking forward to seeing you at the 2nd ARF and the 4th IBRCRT!
